

HNHS Program Policy and Statement of Financial Responsibility

The following are important program policies that must be adhered to by each HNHS family.

1. Drop offs for practice - DO NOT use the small parking lot on Elm Street for drop offs/pick ups. The North Haven Parks and Recreation Department has asked us not use this lot. Use of it by our team may result in the loss of pool time at North Haven.
2. Younger swimmers (12/u) must be supervised until they are on the deck with the coaches.
3. Parents must be on time to pick up their swimmer at the end of practice. The coaches are not responsible for supervising the swimmers after the scheduled end of practice time.
4. Parents should refrain from conversations with the coaches during practice time. While on the pool deck, it is important the coach's attention be focused on the swimmers, both for instructional purposes and to ensure safety. If you need to confer with a coach, please make arrangements with the age group representative or email the coach directly.
5. Parents of swimmers participating in swim meets are required to volunteer at the scheduled meets.
6. The undersigned is financially responsible for swim fees for the Fall/Winter 2007-2008 season.

I have read and understand the HNHS policies and agree to adhere to them and I agree to be financially responsible for HNHS swim fees for the Fall/Winter 2007-2008 season.

Signed (parent or guardian of swimmer)
